2. Write your answer in the space provide.
3. Make up your own poetic organelle description.

Data

I'm a real powerhouse.
That's plain to see.
I break down food
To release energy.

What am I?

I'm full of holes,
Flexible and thin.
I control what gets out
As well as what comes in.

What am I?

I'm the "brain" of the cell
Or so they say.
I regulate activities
From day to day.

What am I?

Found only in plant cells,
I'm green as can be.
I make food for the plant
Using the sun's energy.

What am I?

Make up two (2) of your own poetic organelle's descriptions.

Your poetic efforts should include...

1. Your poem must be about a cell organelle.
2. Your poem must have four (4) lines.
3. You must include cell functions in your poetry.
4. Lines 2 and 4 should rhyme.
5. Your answer must be included.
